Education

BTech, Computer Science and Engineering , Indian Institute of Technology Goa	CGPA : 7.53/10	2023 – Present
Class 12, GSEB , Modi School, Rajkot	Aggregate: 98.23 %	2022 – 2023

Experience

Research Intern – IIIT Bangalore [\[Github\]](#) [\[Certificate\]](#) (May 2025 – June 2025)

- Developed an enterprise-grade mess management system using a low-code RASP platform.
- Leveraged pre-built components and integrated third-party services to accelerate delivery.
- Implemented role-based access control, governance policies, and custom modules for extensibility.
- Collaborated with a research team to ensure scalable deployment and alignment with institutional requirements.
- Tech Stack: **React.js, MongoDB, Docker**.

Projects

Storage Management System [\[Github\]](#) (May 2025 – June 2025)

- Built a responsive website with drag-and-drop upload and a clean user interface
- Enabled secure file storage with Email and OTP-based authentication
- Implemented features such as preview, download, rename, delete, and email-based file sharing
- Tech Stack: **Next.js, TypeScript, Tailwind CSS, Appwrite**

Centralized Course Management System [\[Github\]](#) (Nov. 2024 - Dec. 2024)

- Developed a full-stack web application to streamline course management for students and administrators.
- Implemented user authentication, course registration management, feedback system, historical data access, and a result portal.
- Designed a responsive UI for an intuitive user experience.
- Tech Stack: **Node.js, MySQL, HTML, CSS, JavaScript**.

Multiplayer Chess Game [\[Github\]](#) (April 2025)

- Built a real-time multiplayer chess game with player matchmaking and interactive gameplay.
- Implemented rematch requests, chat functionality, game timers, and move synchronization using Socket.IO.
- Ensured smooth UX through automatic game initiation, color assignment, and waiting room feature.
- Tech Stack: **JavaScript, Socket.IO, HTML, CSS**.

Skills

Programming Languages: Python, C, C++, JavaScript, HTML, CSS

Tools and Frameworks: React.js, Next.js, Node.js, Tailwind CSS, MySQL, Appwrite, TypeScript, MongoDB, Docker

Relevant Coursework: Digital System Design, Computer Architecture, Computer Networks, Data Structures and Algorithms, Software Tools, Probability and Statistics, Discrete Structures

Soft Skills: Problem Solving, Leadership, Teamwork, Work Ethic, Communication

Positions of Responsibility

Internship Coordinator, IIT Goa Facilitating internship opportunities for 40+ students (2025 – Present)

Core Member, Orion (Music Club) Organized music events and performed keyboard in inter-college festivals (2024 – 2025)

Achievements

- Achieved **AIR 3495** in JEE Advanced 2023 among 1.5 lakh candidates

Extracurriculars & Hobbies

- Passionate about music, play the keyboard and perform in college cultural events.
